Additional [Online](#) Coaching & Alignment Sessions

In between on-site workshops, 45-minute online consultation sessions provide space for concept development, feedback on project status, and discussions on emerging theoretical topics. These sessions serve as a talkback forum to refine speculative futures and align project directions toward the exhibition.

CW 20 | Mon 12.05. — Speculative Narratives Check-in
 CW 21 | Thu 22.05. — Prototype Discussion
 CW 22 | Mon 26.05. — Transition
