The program offers professionals and entrepreneurs, two from Berlin-Brandenburg and two from New York City, a stipend to swap cities, granting them the opportunity to explore new environments with their transatlantic peers. Experience another work level, boost your network, and feel the vibrant spirit of a new city. Get ready for the exchange of a lifetime!

WHAT YOU GET

Media Residency Program begins in Spring 2016. It includes travel expenses, accommodation, work space and a monthly stipend of EUR 1,000. In addition, each stipendiary receives an individually tailored mentoring program and is to be invited to important events of the media industry, technology, and other related fields.
