

HPI Digital Health Center

WE NEED YOU !!!!

TO FIND WAYS TO PREVENT LOW BACK PAIN 😊

Low Back Pain (LBP) has been identified as top cause of sick leaves, a burden on the health care system. Many individuals sitting for long hours in front of the computer, experience LBP.

Participants will be observed for 6-7 hours in their **workplace at the HPI.**

Head of Department:
Prof. Dr. Erwin Böttinger

Principal Investigator:
Arpita M. Kappattanavar

Participants will be compensated with a **GIFT** voucher worth **20€**.
