

Efrei Paris

Engineering School of Digital Technologies

School website: <https://www.efrei.fr/> & <https://eng.efrei.fr/>

The exchange program is open to French-speaking and English-speaking students who have completed a minimum of 2 or 3 years of a Bachelor's degree program in computer science or IT at one of our partner universities.

You will find below some practical information regarding the programs, exchange student nominations, and application procedures as well as practical information for students.

Programs

- **3rd Year**

The Undergraduate cycle is a scientific and technical training program, with core modules in:

- Mathematics
- Computer Science,
- Physics and Electronics,
- Biology (only for the Bio-informatics track)

- **4th Year**

Semester 7

FIELDS OF STUDY IN ENGLISH	FIELDS OF STUDY IN FRENCH
<ul style="list-style-type: none"> <input type="checkbox"/> Information Technology <input type="checkbox"/> Data Science 	<ul style="list-style-type: none"> <input type="checkbox"/> Embedded Systems <input type="checkbox"/> Networks and Systems

Semester 8

COURSE PROGRAM IN ENGLISH	COURSE PROGRAM IN FRENCH
<ul style="list-style-type: none"> <input type="checkbox"/> Digital Transformation <input type="checkbox"/> Software Engineering <input type="checkbox"/> IT for Finance <input type="checkbox"/> Networks & Cloud Infrastructures <input type="checkbox"/> Data & Artificial Intelligence <input type="checkbox"/> Data Engineering <input type="checkbox"/> Business Intelligence & Analytics 	<ul style="list-style-type: none"> <input type="checkbox"/> Image and Virtual Reality <input type="checkbox"/> Intelligent Transport Systems <input type="checkbox"/> Robotic Systems and Drones <input type="checkbox"/> Bio-informatics <input type="checkbox"/> Cybersecurity, IS, Internet Governance <input type="checkbox"/> Cybersecurity, Infrastructure, Computer Software (CIL)

- **5th Year - Semester 9**

COURSE PROGRAM IN ENGLISH	COURSE PROGRAM IN FRENCH
<ul style="list-style-type: none"> <input type="checkbox"/> Digital Transformation <input type="checkbox"/> Software Engineering <input type="checkbox"/> IT for Finance <input type="checkbox"/> Networks & Cloud Infrastructures <input type="checkbox"/> Data & Artificial Intelligence <input type="checkbox"/> Data Engineering <input type="checkbox"/> Business Intelligence & Analytics 	<ul style="list-style-type: none"> <input type="checkbox"/> Image and Virtual Reality <input type="checkbox"/> Intelligent Transport Systems <input type="checkbox"/> Robotic Systems and Drones <input type="checkbox"/> Bio-informatics <input type="checkbox"/> Cybersecurity, IS, Internet Governance <input type="checkbox"/> Cybersecurity, Infrastructure, Computer Software (CIL)

International students will also have the opportunity to choose non-scientific modules in: Management and Economics, Languages, Professional Communication and Culture.

Information about degree-seeking and non-degree-seeking programs for international students can be found at: <https://eng.efrei.fr/international-admission/>

Academic calendar 2022-2023

PROGRAM	FALL SEMESTER	SPRING SEMESTER	HOLIDAYS
3rd Year Courses start: Courses end:	30 th August 2022 13 th January 2023	16 th January 2023 7 th July 2023	2 weeks for Christmas & New Year
4th year Program – M1 Courses start: Courses end:	22 nd August 2022 13 th January 2023	16 th January 2023 22 nd July 2023	
5th year Program – M2 Courses start: Courses end:	31 st October 2022 31 st March 2023 *	No courses*– Internship period.	Others in November, February or May depending on the program

*Exchange students have the possibility of applying for a Research Project running from mid-September to mid-January

Exchange Programs

- Third Year (Undergraduate Program)**

Semester	Period	Courses
Fall (S5)	30 th August 2022 - 13 th January 2023	Scientific courses (common modules and 1 Elective)
Fall (S6)	16 th January 2023 - 7 th July 2023	Scientific courses (common modules and 1 Elective)

- Master 1 – Fourth Year**

The Master 1 Program is divided into 2 semesters : Fall Semester (S7) and Spring Semester (S8).

These semesters are composed of two periods each.

Fall semester : Academic program + Project and Language Modules

Period	Courses/projects	ECTS
22 nd August 2022 - 29 th October 2022	Scientific courses	15
	English Language and cultural courses French Language courses (FLE)	5
31 st October 2022 -13 th January 2023	Master Project or Research Project	6
	English for Engineers	2
	French Language courses (FLE)	2

Spring semester : Project and Language Modules + Academic program

Period	Courses/projects	ECTS
16 th January 2023 – 31 st March 2023	Master Project or Research Project	6
	English for Engineers	2
	French Language courses (FLE)	2
3 rd April 2023 – 22 nd July 2023	Scientific courses	18
	Management courses Communication courses French Language courses (FLE)	5

- **Master 2 – Fifth Year**

Semester 9 is an **academic program** running from 31st October 2022 to 31st March 2023.

Semester	Period	Courses/projects	ECTS
Fall (S9)	31 st October 2022 – 31 st March 2023	Scientific courses Management courses French courses (FLE) Research Project (optional)	30

Instead of an academic program, exchange students have the possibility of conducting a **Research Project** from mid-September to mid-January.

Semester	Period	Research Project	ECTS
Fall (S9)	12 th September 2022– 13 th January 2023	Research project related to the student's scientific background and Efrei Paris' research fields. Students will write a scientific article and highlight their research project and international mobility through a presentation or report. + French as a Foreign Language	30

Practical information

- Online visa application through Campus France: <https://www.campusfrance.org/en/the-different-types-of-visas>
